#### AWARD

This reference has been referred to this court by the Hon'ble Governor of Haryana,—*vide* his order No. 1D/FD/154/82/49901, dated 4th November, 1982, under section 10(1)(c) of the Industrial Disputes Act, 1947 for adjudication of the industrial dispute existing between Shri Surender Pal, workman and the respondent-management of M/s. Sharco Industries Pvt. Ltd., 12/6, Mathura Road, Faridabad. The terms of the reference was :—

Whether the termination of services of Shri Surender Pal was justified and in order ? If not, to what relief is he entitled ?

According to the claim statement the workman was employed on 1st January, 1981 and his services were terminated on 14th July, 1982. It is alleged that no notice pay, retrenchment compensation etc., was not given to him under section 25-F of the Industrial Disputes Act, 1947.

The management has contended in the written statement that the claimant resigned from the service and received full and final payment in lieu of the settlement. The parties contested the reference on the following issues :—

1. Whether the workman has received the full and final accounts after resignation from the service ? If so, to what effect ?
2. As per reference ?

I have heard both the parties and have gone through the evidence on record. My findings on the issues are as under :—

Issue No. 1 and 2 :—

The management did not produce his evidence inspite of the fact that they were given opportunities to lead evidence since 30th March, 1983. The evidence was closed on 18th June, 1984. In his

statement the workman has stated that his services were terminated on 14th July, 1982. In his cross-examination he denied his signatures on the resignation Mark 'A' and full and final payment receipt mark 'B' and voucher mark 'C'. I have compared the signature of the workman with the signature on Demand notice and the signature on the letter of authority and claim statement. His signatures on the resignation Mark 'A' are similar in all respects with his signatures on the demand notice/claim statement and letter of authority. Moreover it is written in the same hand. It is therefore, clear that the workman has written his resignation and also received full and final payment,—vide receipt mark 'B' which also bears his signature. I, therefore, find that the workman has resigned from the service and received his full and final payment in lieu of the settlement.

#### Issue No. 2 :—

In view of the findings on Issue No. 1, the services of the workman were never terminated and he himself resigned from the service. Hence the award is given accordingly.
